Re: State v. Jeremy Seldon Brady, Appellate Case No. 2016-000895

Dear Ms. Kitchings:

The initial brief of appellant and designation of matter in the above case is due to be served and filed on April 10, 2017. However, we have discovered that we need an additional transcript. Today, I reviewed the documents in the file to ensure all needed materials were available. During this review, I discovered a letter from trial counsel stating a hearing occurred on June 10, 2015. Unfortunately, we did not request a transcript of the hearing when we initially ordered transcripts in this case. I contacted trial counsel today via email to ask about the substance of the hearing. According to trial counsel, a hearing pursuant to Jackson v. Denno was held on that date. Therefore, it is relevant and pertinent to the appeal.

We have requested this transcript today and request that the time limits be held in abeyance pending receipt of it. A copy of our transcript request is attached. If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

Susan B. Hackett
Appellate Defender
