COA Case No. 2015-000985 - Clarification Regarding Record on Appeal

Dear Ms. Kitchings:

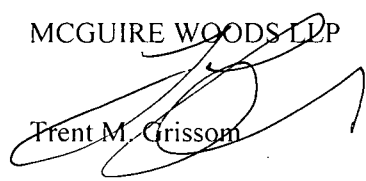

Recently the court mailed correspondence in this matter indicating that the case would be stayed until such time as the court could determine what action to take regarding the Record on Appeal that has been submitted by the Appellant, Mr. Shawn Bethea. I would like to assist the court in this endeavor by clarifying the purpose of the Respondent's Second Motion to Compel the Correction of the Record on Appeal.

As you know, Mr. Bethea filed a "corrected" Record on Appeal following our first Motion to Compel the Correction of the Record on Appeal. As of the date of this letter, Mr. Bethea's corrected record has not been posted to the online docket. As such, I am not able to determine if the record that was sent to the court is the same as the record that was mailed to my office.

The copy of the record that Mr. Bethea mailed to my office contained the deficiencies that were set out in our second motion for correction. The pages were not numbered sequentially and certain documents that were listed in the table of contents were not included. Due to these deficiencies, I am not able to properly cite to the correct pages in the record for our final brief. However, if the copy that was mailed to the court is correct, I do not have a problem printing that version out and using it for citations in our final brief. If the court could post the amended record online or send me a copy, I will be happy to compare it with the version I received and proceed accordingly. Thanks in advance for your consideration.

Sincerely,

MCGUIRE WOODS LLP
