Greetings,

Enclosed please find an **Amended Proposed Final Brief**, an **Amended Proposed Record on Appeal**, and an **Amended Proposed Designation of Matter**. Per the March 2, 2017 Order from the court to clarify that because the final brief was stricken, the "**Exhibits to Support Final Brief**" were also stricken. Please note that the enclosed exhibits do not include any documents which were included in the "**Exhibits to Support Final Brief**", which was served on January 4th and entered into the court index as such on **January 6th, 2017**. And further, the enclosed exhibits are an earnest attempt to adhere to the Court's Order and only includes (1) Matter designated for inclusion in the record on Appeal, and (2) presented in the lower court *per* the order's specific reference to RULE 210(c), SCACR.

In the March 2, 2017 Order with regard to the appellant serving and amended record on appeal by February 27, 2017, the Appellant DID do this, however, after reviewing the submitted documents again, the Appellant, hereby attempt to correct any mistakes and is attempting to make certain that these documents comply with both the January 26, 2017 Order as well as the March 2, 2017 Order.

Enclosed, per the above referenced Orders, Please find Proof of Service with each document.

Sincerely, I, am,

Biafra Monique Curtis, ProSe- Appellant
