**Request For Extension**

Dear Judge,

I am requesting an additional extension to file my Initial Brief as required under Rule 208. Being a Pro Se Appellant and an Engineer by training, I try to focus on the details. As I review the Rules of the Court in regards to filings, I have been imitated with the requirements of the format and the content per Rule. I reached out to a legal Professional five weeks ago to review my transcript and for the assistance in preparing my brief. I was recently informed that they would not have the required time to assist in preparing my brief at this time. This has put me in a difficult position. With my current commitments to family, my employer and meeting my tax filing deadline, I would like to request a time extension to finish preparations and filing my brief. Thank you for your consideration.
