Re: case# 2016 - 002024

Sirs,

The transcripts have already been requested twice, on 8-29-16, 10-16-16. I also requested the record on the same dates. If you would quit playing games with the filings to help cover for the state and IOP you would not be named in a civil rights violation case in Texas.

Prior filing see attached.

Sincerely

David Lynd

Re: case# 2016 - 002024

Sirs,

This letter is to address the numerous letters dated 9-28-2016 and 9-29-2016; these were all received on 10-17-16 here in Texas. I do not know why counsel refused to respond. And I do not know if the delay is normal or due to the rounds of weather you are experiencing in S.C., regardless of reason I immediately called the clerks office, and was giving nothing but pure run around and excuses with everyone refusing to give a straight answer claiming they could not give legal advice, but the deficiency notices by clerks determining the notice is insufficient are defective in some way is a legal determination. If they can make that legal determination, they can give the "advice" to correct that error to their satisfaction.

- 1) The notice of appeal does not include the orders,<<<

I enclosed 1 order and the docket entry from the other, the court has refused to state why the 2nd order was never issued. Nor has the docket entry been corrected to even give a ruling or grounds. The case involved 3 parties all which had different hearings and I filed notice immediately after the final hearing. So again I am including them.

- 2) The document has not been timely filed <<<

The document was mailed on 8-29-16 see attached certified receipt along with the post office receipts for the money order for the filing fee and the receipt for all the certified mail to the clerk and the opposing parties, ALL DONE ON 8-29-16 well within the 30 days. The court is supposed to have a copy of the letter and postmark showing the date mailed under the rule.

If the court deems that incorrect somehow please consider this a motion for late filing.

The certified mail was returned as unaccepted by the Courts mailrom at 1220 Senate street, claiming a suite was need. It remained unopened, and I mailed it to the other address given by phone U.S. Mail express mail the same day. The original postmark and mail date was timely and mail delays are not the responsibility of the appellant. *See attached mail records.*

- 3) The notice must contain names of attorneys<<<

That is included in the notice I must assuming your wanting them listed in some other form, the notice of appeal form on the courts website is what I used, I filled it out exactly as it showed. I

do not understand what correction is being asked for so I included the names and attorneys as shown on the notice

Please call and explain what deficiency is referred to if the below is not good enough. 469-323-1751

- 4) The attorney of record was paid and refused to return the money or withdraw, even after notice by the court on 9-28-16 when giving 10 days to do so. Either sanction him, order my funds returned, or take some step to make him do his job, or assign counsel, since I am half a continent away.

- 5) Transcripts not ordered<<<

There were supposedly 2 10 minute hearing the docket shows no reporter that I can find by using the internet, the calls to the court requesting the names and address have gone unanswered, only a voice mail message option is the only thing giving , all messages have never been returned.

The same as the record request. I have received no notice on that deficiency but it too was requested. I tried to request the reporter info and was told it was unavailable, and the record request I was told I am not allowed to request it, that I must be done through my attorney.

SO EITHER THE COURT OR APPEALS COURT must order the attorney of record who is there locally and in the Court building daily to take care of these task, OR ORDER MY FUNDS RETURNED so I can hire someone, or appoint someone to handle the appeal.

MOTION: I David Lynd request by this letter motion that the transcript request allowed to be made out of time

TO WHOM IT MAY CONCERN:

**Please consider this letter a formal request for the transcripts
and for the standard record for the appeal.**

Please consider this a motion:

a) To either appoint an attorney locally to handle the matter,

b) Or grant a time extension on all time limits to account for the extended mail delay from S.C. to Texas. The last letters sent by the clerk took 16 days to arrive! As stated earlier that could be due to unusual weather delays, or could be normal.

- Note: the letters had notices requiring 10 days to respond but took 16 to get to me, what am I supposed to do?

c) Or grant permission to file and send notices or documents by email/electronically to avoid the mail delay.

Sincerely

David Lynd
