Re: In the Matter of the Care and Treatment of Michael Kaminski
Appellate Case No. 2016-000606

The Initial Brief of Respondent and Designation of Matter in the above appeal are due to be served and filed March 27, 2017. However, due to a heavy workload, I am requesting a 30-day extension. This is a first extension request in this case, and it is not intended for the purpose of delay. By copy of this email, I am advising counsel for the Appellate, David Alexander, Esquire, of this extension request.

Sincerely,

Deborah R.J. Shupe
