Subject: SC Coastal Conservation League & SC Wildlife Federation v. SC DHEC and Horry County, App. Case No. 2016-001758

Dear Ms. Kitchings,

I write to alert the Court that the parties are negotiating settlement in the above-referenced case. We are providing you with this information via email because we anticipate that the Court may already be expending resources to prepare for oral arguments scheduled for next month.

Counsel for appellants will file a motion to stay proceedings based upon settlement discussions this week. At this stage, the appellants and Horry County have agreed to the terms of settlement and are reducing that agreement to writing.

Respectfully,
Amelia Thompson
