Re: Christ Central Ministries v. City of Columbia
Appellate Case No. 2015-002532

Dear Counsel:

Upon reviewing your appellant's initial brief, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected in their entirety within ten (10) days of the date of this letter or your appeal will be dismissed:

- The caption/title does not comply with Rule 267(a), SCACR, or the Court's letter dated December 11, 2015, in which the correct caption for this appeal was provided for your convenience. You must use the correct caption when filing your brief in final form.
- The initial brief is not accompanied by a designation of matter to be included in the record on appeal. A motion to allow the late filing will have to be made. The appellant's initial brief cannot be considered by the Court unless accompanied by the designation of matter.
- Time for serving and filing respondent's initial brief and designation of matter will be calculated from the date of service of the appellant's designation of matter.

Very truly yours,

V. Claire Allen, Deputy

CLERK
