RE: Wells Fargo Bank, N.A. v. Dorothy Sistrunk
Civil Action Case #2008-CP-38-1024
Appellate Case #2014-001683
Opinion No. 2016-UP-472

Ms. Kitchings and/or Ms. V. Claire Allen;

After experiencing the courts failures and since the Lower Court and the Appeals Court have failed to uphold federal and state laws, I will not be filing a Petition for a Writ of Certiorari. This must be done by the courts under their authority to correct errors of law. There is no federal or state law or statute that can force me to participate in an illegal contract or mortgage loan based on falsified documents. There is also no constitutional authority for the courts in the State of South Carolina or members of the Bar to ignore a federal or state law or statute. Therefore, based on these facts, it is up to the courts to correct their errors of law and failures of professional conduct, not me. A copy of this letter along with Proof of Service has been sent to Wells Fargo attorneys listed below.

Thank you.
