Re: Appeal from State of South Carolina v. Kalvin R. Brown Case No: 2015-GS-46-02347

To: S.C. Court of Appeals,

This matter I bring before this court is concerning my appellate lawyer, Taylor D. Gilliam, failure to acknowledge and raise issues in my initial brief.

The two issues in question are related to my directed verdict motion, and a motion to suppress confession/statement.

Again, I bring this before the court's attention because these issues were raised, and preserved properly, and in accordance with the court's rules.

I respectfully ask the court to look into the matter, and ultimately allow these issues in for appellate review. Thank you!

Sincerely,

Kalvin R. Brown
