Dear South Carolina Supreme Court:

RE: Trey Williams v. State
Appellate Case No. 2016-001553

S.C. SUPREME COURT

I would like to know about any information to this court Agency regarding an appeal bond being filed in relations to this case and the procedure to this process and relation to this case that is on appeal. I also would like to know what happened to the return and associated materials that I filed to this office by mistake of me not knowing where to file first because per my correspondence with the case handler of this case by the name of Ashley Thompson she said that the documents would be forwarded to S.C. Commission of Indigent Defense. I would like confirmation that these documents were received and indeed forwarded to that Agency. HASTY I need to know if I'm to obtain the copies filed at the other Agency and I send them off to the Agencies and this court or will that Agency file them back at this court etc? Also my motion to supplement the Appendix and proof of service should be included in the return when it comes from Indigent Defense so please let me know if it is or is not present or accepted or not upon your receipt.

~~Very urgent~~
It has been said that I have motions, petitions, documents etc that has not been opened or read at this court and I'm Indigent, these things have been requested to be in my Appendix so that should be sent to me or included in the record directly from the Court.
