Dear Mr. Shearouse:

This letter is in response to your letter dated April 6, 2017. Please be advised that:

1. As an officer of the Court, counsel is unable to set forth any arguable basis for asserting the determination by the PCR judge that the PCR application was successive and barred by the statute of limitations was improper;
2. Counsel advise the Petitioner, Travis C. Abercrombie, by copy of this letter that he should notify the Court, no later than twenty (20) days from the date of this letter, of any arguable basis he may wish to assert to the Court that the determination that the PCR application was successive and barred by the statute of limitations was improper.
3. If you should have any questions please feel free to call me.

RICHEY AND RICHEY, P.A.

Yours truly,
