Re: William Montgomery v. Spartanburg County  
Appellate Case No. 2017-000584

Dear Mr. Carpenter:

This responds to your letter dated April 14, 2017. With this letter, you have enclosed a transcript of a hearing which was apparently not in the record before either the Administrative Law Judge or the South Carolina Court of Appeals.

If you believe that it is appropriate for this Court to consider this transcript when it determines if a writ of certiorari will be issued in this case, it will be necessary for you to make a motion seeking that relief.<sup>1</sup>

Very truly yours,

CLERK

---

<sup>1</sup> I do not understand your reliance on Rule 208(b)(7) of the South Carolina Appellate Court Rules relating to supplemental authority. A transcript is not an "authority" within the contemplation of that rule.
