SC Court of Appeals

On April 6, 2017 the court of Appeals issued this matter to be dismissed for failure to provide proof of service that respondent was served as required by Rule 203 of the South Carolina Appellate Court Rules. I am begging the court to re-consider this dismissal and to restore this matter in the Court of Appeals.

I have attached the proper proof of service which was completed within the specified time. I am unclear as to why this had not been received by the clerk when it was mailed. I have also enclosed a money Order for \$25.00 to cover the cost of this petition for re-consideration as instructed. Thank You for your consideration of this matter.
