In The Court of Appeals

APPEAL FROM SOUTH CAROLINA WORKER'S
COMPENSATION COMMISSION APPELLATE PANEL

Case No. 2016-000598

RECEIVED
APR 19 2017
SC Court of Appeals

Clarence B. Jenkins Jr., Employee Appellant,

v.

Amazon.Com DEDC, LLC, Employer, and
American Zurich Ins., Carrier, Respondents.

APPELLANT'S REPLY TO RETURN

Appellant should not have to continued defending this twisting, tangling and dangling of South Carolina Worker's Compensation Laws, Appellate Rules of South Carolina Court of Appeals and facts of worker's compensation case by Respondents through their legal representation of Attorney James R. Goudelock and Attorney Helen F. Hiser to obtain a favorable ruling by this COURT. South Court of Appeals Rules 209 and Rule 210, SCACR, must coincide with each other and by Respondents have stated they are not requesting a correction of Designation Of Matter therefore Record On

Appeal by Appellant needs no correction. Appellant confirms that Designation Of Matter and Record On Appeal coincide with each other as required by South Carolina Court of Appeals' rules. Appellant is requesting that Respondents' Motions To Dismiss and Correction Of The Record On Appeal deemed as improper. Appellant sees the action by Respondents to delay and derail as a miscarriage of justice.

Appellant is requesting this Honorable Court deny Respondents' Motion To Dismiss and Motion For Correction Of The Correction On Appeal because of compliant with Rule 209, Rule 210 and Rule 240, SCACR.
