Mr. Daniel,

S.C. SUPREME COURT

~~Over every is I've~~

Over every issue I've address Mr Daniel. I've made sure I was correct before I've made them. What would be the reason The Search + siezure warrant was left out nor talk about. That warrant started the whole case with me. Like I've said before it wasn't in my name but I know that doesn't matter. As Jesus is the son of God Mr Dainel I strongly believe that Nancy C Atkins didn't sign the warrant. I'm saying that in faith and I'm stand on that until proving wrong. Is there a way to subpoena her signature. If I'm correct what would be the problem with that? See I say this to the fact it was never submitted to the court or processed by the clerk of court. Also forging a signature is a big issue. I have yet to see it in the laws I'm studying. Judges have special signature, lawyers and solicitors. Is there a way I could do a contested hearing or its to late for that. Thats why my prelim was waived because the prosecution knew they would have show that probable cause exists, but how would it exists when Tyson Hall sold to

C.I. because he was told to sale an illegal drug to C.I. Base this off he was never arrest, question, or violation of his probation and don't you know the police even told me don't tell my agent they will. I know were'd right. Can I use the fruit of the posion doctrine? The burden of proof is on me but what about them not giving me anything I've request for post-conviction relief. If my appeal is denied let me know and I go threw 3 stage hearers court. Those document I've sent are for processing. I've always want my case in y'all hands from the start. Will my chance be better who knows. Please Subpoena Tyson Hall he's in the system. Is there away of getting Nancy C Atkins signature without her knowing? For revoking my probation Judge still would have to issue a citation for It being legal for processing and clock time stamp but Jurisdiction over rules all that. The proof is there and the indictments Mr Daniel still say are false and to the point I never sign my sentence sheet which do make it all legal which was never time stamp by Clerk of Court. I'm trying to get the rest from

Commission on Lawyers Conduct if hard.

Kindest Regards  
Willie & Palmer

Why have I not receive the impeachment documents of this grand jury as I've requested for post-conviction relief. Why are they being held from me? I have a right to them Mr Daniel. I need them.
