Re : Goldie Grier Reves V. Dr Rogers C reeves

Cae No 0213-002082

Dear Ms. Kitchings:

I hve shared with you three differet incidences oFraud, Corruptio or othe other undue means. These stese statement were made. First by Ms Macmanaway expressing in her repor that I was in breach of contract This wasa due to the fact Mr. Chasteen did not include a coby of my deposition.from her knowled She was not involved with this deposition so, I cannot call her out . Mr. Cha chasteen had to be guilty beacuse He Gave he the time line of events and mr.M M.Lee daniels submitted background inor matio..

Upon mentioning the problem with Mr. Dniels he responded,"That's her story and she's sticking to it. Within the body of her summary, Which I never got a copy of until sometime later. Posibly by requesting it from her office in 2013 Futher in her summary she expresses she reserves the right to make changes i After hearing testa mony at the in the arbitration. Clearly Daniel's and Mr. Daniel knew was was said was untruthfull. They were both at the deposition taking.These fscts and anaddiotnal statement by Mr. Chasteen saying if goldie is in breach Mr. devlin will evict her.

I was never in breach. The conceals info concerned my providing like-kind exchange for Dr.Reeves Two business and then RESidencr fro 2002-2006.

DR. Reeves wrote to me and said he would what the IRS allowed in lieu of Payment for equipment and security services.

I had been trained by ADT Security Company after installing equipment in my own Home, not discounter at all.

Because I had a heart attack I believed the system was invaluable. I was asked to work for a Tennessee dealer, later changing to two other Georgia dealers as time past. I was always top Sales person.

Keep here if a company sells the contracts directly to ADT. They will pay at that time \$1368.00 per contract..

I loved this work and hired a licensed installer and formed a freestanding organization with him..

Before that point I supervised workers and got part of their commission too. I ordered my equipment from my own accounts.. I was monitored Local in Greenville. Contracts go on as long as possible. Folks pass away or move and their systems can be assumed by the new buyers.

Our son sold three systems to his father. Pretty much giving him everything possible at the time to keep his property safe. Scot is very cordial with folks but since he was less ambitious than I was sharing sales with him.

Just like in the contracting business for homebuilder's. Many customers were taken Advantage of. I did large businesses and homes. I loved it but as time passed I went back to architectural design, where I already had much work History and enjoyment.. M

In security I taught new people and made about \$2000. a week often. Depend-

Trust Agreement he did it to cause me too lose my home because he hates me more than he loved the Beneficiaries.

Rogers had a buyer lined up in February 2012 through the Affidavit in my Dss case . She announced it in court. I retain what I here and am told. I do

I report only the truth as I know it.

Referring back to Mr. Gaddy's blunder in Ms. Verdine's court.

The document begins Affidavit of Goldie Reeves Paragraph 3.

is completely false, I did not discuss the repairs of the house with Rogers at all. He was not supposed to touch anything or hire anyone as he is regularly taken advantage of by crooks..

In the contract I am to hire directly the repair folks as I have the experience training and education to do what they should be doing..

On February 8, 2005 I called Mr. J.D. Todd who was my attorney, since 1978.. He knew, he knows how dreadful Rogers behaves and he directed me until he passed away with head and neck cancer.

He suggested his firm helped folks like The Ashmore Brothers and I should call Mr. Anderson a partner of Mr. Chasten. I did not discover the entire story. He did not mention that Rogers worked for Dr. Reeves. He did say to speak with Wally Fasseoux. (spelled wrong. I did

I must close but I want to end by saying

in the Arbitration Statute. If fraud, corruption and undue means occurs, so as to substantially prejudice your rights (my rights in this case the statute says the These are grounds for vacating an arbitrator's award. There are other examples I must mail these now

Sincerely

Sincerely ,
