Comes now the Appellant, Hampton County Coroner Ernie Washington, and respectfully moves pursuant to Rule 263(b), SCACR, for an extension of time in which to file the Initial Brief of Appellant and the Designation of Matter to Be Included in the Record on Appeal. Appellant received the transcript of the lower court proceedings on April 3, 2017. The undersigned mailed a letter to the Clerk of Court and Director of Court Administration on April 3, 2017, notifying the court of Appellant's receipt of the transcript. According to Rules 208 and 209, SCACR, an appellant's initial brief and designation of matter to be included in the record on appeal are due within thirty (30) days after receiving the transcript. Thus, the undersigned has determined that the Initial Brief of Appellant and Designation of Matter to be due by May 2, 2017.

Appellant is hereby respectfully requesting a 30-day extension of time in which to file his Initial Brief and Designation of Matter to be Included in the Record on Appeal. Appellant submits that, if this motion is granted, the new deadline would be June 1, 2017. This deadline has not previously been extended. The undersigned has conferred with counsel for Respondents and he has no objection to this motion.

Respectfully moved,

---
