

To Whom it may concern,

4-24-17

Hello, my name Joseph Tyler Brogdon  
and I'm writing this letter explaining why I Appealed  
my Sentence. The reason im Appealing this sentence is  
because i dont find it a reasonable punishment considering  
this is my first time ever being in any type of trouble.  
I didnt know nothing about the law at the time and  
To be truthful i was scared & didnt know what to do  
thats why I accepted it, but I have heard about a  
Youthful Offender Act or Y.O.A and was wondering  
if i could get a YoA instead of 15 years for my first  
time ever getting into trouble i find it unacceptable  
that i got 15 years, I know what i did was wrong  
but That is a very Harsh sentence so please Accept  
this Appeal so i can get home to my family  
as soon as possible. Thank you and have  
a Blessed day,

Sincerely, Joseph Tyler Brogdon
