Appellant hereby moves pursuant to Rule 263(b), SCACR, for a 30-day extension of the time in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal in this case. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. This is the first extension that Appellant has sought in this appeal.
2. The deadline sought to be extended runs today, May 4, 2017.
3. This appeal is younger than most would be at this stage, since Appellant's counsel already has a copy of the transcript.
4. Appellant's counsel has not had time to draft the brief yet. Appellant's counsel has had to attend a number of hearings and meet numerous writing deadlines.
5. Appellant's counsel believes there is good cause to grant the requested 30-day extension to June 5, 2017 (as June 3 is a Sunday).

WHEREFORE Appellant prays for an Order extending the time in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal for an additional thirty days.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'A. S. Radeker', written over a horizontal line.
