Re: Brian MacDermant v. State  
Appellate Case No. 2017-001046

Dear Mr. MacDermant:

We received your note along with your notice of appeal inquiring about providing an audio recording to the Court. Now is not the time for you to provide supporting documentation to your appeal. The next step in perfecting your appeal is ordering the transcript of the proceeding before the court of common pleas from the court reporter as provided by Rule 207 of the South Carolina Appellate Court Rules (SCACR). Please also take a look at Appendix B to Part II of the SCACR, which is an appeals chart that goes through each step of perfecting an appeal. Please keep in mind that when you prepare the record on appeal, the record cannot include matter which was not presented to the lower court or tribunal.

Very truly yours,

A handwritten signature in cursive script that reads "Jenny A. Kitchings".
