S.C. SUPREME COURT

Dear Clerk Harris,

The filing of the Writ of Certiorari for the case 2016-001677 that is mentioned in the letter dated February 21 2017 in complete respects full of the needed documents enclosed by all appellant courts within the South Carolina appeals system, and has always been this way from the initial filing. I have already placed lawsuit on your office in state and federal courts regarding this filing, and others. If you would please give a yes or no to the filing, so that I can file this matter with the United Nations in Geneva regarding my over 40 country list, I would be most appreciated, and will send the needed documents under the SCOTUS Rules.

Also, I have completed all the mental evaluations for the United States of America and basically the world, through two licensed Psychologists/Psychiatrists within the Forensic Study, and can provide a copy that was filed with the United States Charleston District Court if needed.

Sincerely,

G. von Fox
