

The South Carolina Court of Appeals

The State, Respondent

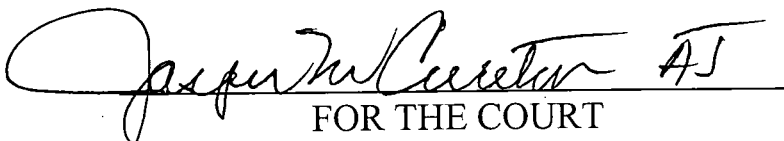

v.

Curtis Pratt, Appellant

Appellate Case No. 2012-212679

ORDER

Appellant is attempting to appeal from a guilty plea. Pursuant to Rule 203(d)(1)(B)(iv), SCACR, Appellant is required to identify the issues and make a showing of how the issues can be reviewed on appeal. In this case, Appellant's counsel has asserted that he filed this appeal at the request of Appellant. Furthermore, although counsel advised Appellant by letter of September 17, 2012, to inform this Court in writing of any reviewable issues of appeal, Appellant has failed to do so. Accordingly, this appeal is dismissed.
