Motion to  
Relieve Counsel  
and obtain my  
documents...

Dear South Carolina,

S.C. SUPREME COURT

Appellate Case: 2016-001553

I Trey Alexander Williams, inmate # 341036, am requesting the South Carolina Supreme Court Chief Justice to Relieve any Counsel whom is handling my case on Appeal because I went prose and I filed my return and never got an copy of it back or my motion to supplement the Appendix documents and other associated material. I do not have a copy of the Appeal Bond motion that was filed nor do I have any return from the state on the Appeal Bond or my return. I am clearly being prejudiced, discriminated against etc when prior to me hiring Appeal Bond Attorney the Attorney told me I could hire him without it disturbing my prose Appeal case and consequently I hired him only for an Appeal Bond. The Attorney has said that I am still prose and he fixed this issue with the courts however I am still being deprived equal access to the courts, my return which I dont have a copy of since I sent the original and its other things I have worked on to have filed. I have written the courts on various occasions to get this matter resolved and I have been ignored. Also I have a load of documents that need to be filed with the Appeal Bond. *every thing*

I also need a Federal Habeas Corpus Application so I can complete the last part and be ready to file my Federal Habeas directly after this case.
