Re: Anthony D. Richardson v. Jackie Swindler
Appellate Case No. 2014-002532

Dear Mr. Richardson:

This office received your filing on May 4, 2017. The documents are not accepted as the supplemental record on appeal as required by the Court's March 24, 2017, order as they are not in compliance with court rules. The following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your appeal will be dismissed:

- The binding does not comply with Rule 267(d), SCACR. All copies are completely unbound, divided only by single sheets of paper.
- The document is improperly paginated. Specifically, it is not paginated.
- It has no index.
- The caption/title does not comply with Rule 267(a), SCACR. Specifically, there is no caption or cover page.
- The document is not accompanied by the required certificate of counsel.
- A proof of service has not been provided. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.
- Your supplemental record is considered late as it was due to have been

served and filed by May 3, 2017. It was not accepted as filed. Therefore, you must file a motion to serve and file the supplemental record on appeal out of time. The filing must be in compliance with Rule 210 and Rule 267 of the SCACR or your supplemental record on appeal will not be accepted as filed.

Very truly yours,
