Dear Ms. Kitchings:

I represent the Respondent in the above referenced action. The Respondent is a small "thrift store" owned by an elderly gentlemen in Swansea, South Carolina.

For some unknown reason, the South Carolina Department of Consumer Affairs has been incredibly aggressive in dealing with what appears to be an unintentional violation of the law.

The case before the Court involves a very small amount of money and simply the exercise of discretion by the Court below.

I am not certain as to whether the Court wishes for me to respond to the Motion for Oral Argument. I would appreciate some direction from the Court as to how I should respond if at all to the Motion which has been presented.

Thank you for your consideration of this matter.

Yours very truly,

S. Jahue Moore
