P.C.I. MAILROOM

Dear Jenny Abbott Kitchings, Clerk

P.O. Box 11429, Columbia, South Carolina 29211

I received an order date May 4, 2017 on May 8, 2017

stating the following:

Appellant has filed a letter, which we construe as a motion to relax the copy requirements relating to the record on appeal. The motion is granted to the extent that Appellant may file only one copy of the record on appeal.

~~Appellant has not retained a copy of the record~~  
Appellant shall also serve a copy on Respondent.

Because Appellant has not retained a copy of the record he filed with this court, we are providing Appellant with a copy of the record. Appellant shall serve Respondent with a copy of the record on appeal within twenty days of this order and provide this court with proof of service.

Respondent's motion to compel is granted to the extent that Appellant shall compile a supplemental page to p 3

record on appeal containing the trial transcript dated September 22-24, 2008. Appellant shall serve a copy of the supplemental record on Respondent and file one copy with this court within twenty days of this letter.

In response to this order, Ma'am, you didn't with this order disclose to me a copy of the Record on appeal as I requested, and as stated in the aforementioned order, so that I can send it to the Respondent, due to my indigency.

You stated in that order "we are providing Appellant with a copy of the Record. It was not sent to me with the order you sent to me.. Again I am requesting that you provide me a copy of the Record on Appeal so that I can send it to the Respondent ~~with~~ and provide you with Proof of Service.

Secondly, the order told me to compile a supplemental record on appeal containing the trial transcript dated September 22-24-2008 and that I shall serve a copy of the supplemental record on Respondent and file one copy with this court within twenty days of ~~this~~ that order.. Do I have to provide the entire trial transcript? or only the portions relevant to the grounds and evidence in which support my Motion for a new trial pending under Appellate case number 2016-000966.. I sent to this court all the document I had, in my Record on Appeal, this is why

I need a copy of the entire Record on appeal which includes  
the designation of matter to be included on appeal. Please send  
me a copy of the Record. This way I can from it, prepare  
the requested document, and send them to the Court at  
the respondent with a proof of service, in order to meet  
the requirement of the May 4 2017 order you sent  
me. ~~to~~ I didn't receive the order until May 8 2017.  
So I will need an extended deadline based on when  
you send me a copy of the Record.

Thank you and Bless you

Sincerely Yours
