

# The Supreme Court of South Carolina

The State, Respondent,

v.

Timothy Crosby, Petitioner.

Appellate Case No. 2017-001117

**RECEIVED**

MAY 17 2017

SC Court of Appeals

---

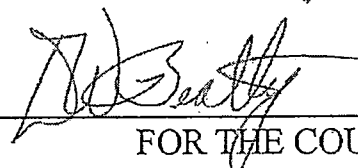

## ORDER

---

The South Carolina Court of Appeals dismissed the appeal in this matter after conducting a review pursuant to *Anders v. California*, 386 U.S. 738 (1967).<sup>1</sup> Petitioner has now filed a motion with this Court indicating that he desires to have counsel appointed for the purpose of seeking a writ of certiorari to review the decision of the Court of Appeals.

In *State v. Lyles*, 381 S.C. 442, 673 S.E.2d 811 (2009), this Court held that it “will no longer entertain petitions for writs of certiorari where the Court of Appeals has dismissed an appeal after conducting an *Anders* review.” Accordingly, the motion for the appointment of counsel is denied.
