APPELLANT’S MOTION FOR EXTENSION OF TIME

The undersigned hereby moves for an extension of time for an extra thirty (30) days to file her initial brief pursuant to Rule 240, SCACR. Appellant received the transcript from the court reporter on April 25, 2016 making Appellant’s initial brief due on May 26, 2017. The new deadline would be June 26, 2017. This is Appellant’s first request for an extension.

The reasons for the extension include the recent retention of undersigned counsel and issues involving the correction of exhibits to the hearing which forms the basis of the appeal. Undersigned counsel has made a good faith effort to finish the brief within the normal limits but has been unable to do so without asking for this extension.

The undersigned has consulted with the attorney for the respondent. Respondent's counsel has indicated that he does not consent but will not oppose an extension of time.
