ISSUE Presented

My True Bill Indictments

ARGUMENT

I wrote Greenville Count Clerk of Court askin for a copy of My Indictments for when I was so-called Indicted. I was indicted on May 29, 2012. I wrote the clerk of court for the Date they so-called Indicted me on May 29, 2012. And on March 24 2016 they sent me a "list" of everybody who Got Indicted on that Date. How every the list I got tells me I beent true billed in 2011 of the charges I'm being held on now in S.C.P.C. I find Dis Issue

Big because Greenville County only convenes on the first 2 weeks of May. Not the third or fourth week. But the first 2 weeks in May! I have a Criminal Charge, so General Session can only deal with my case. So if General sessions only convenes the first 2 weeks in May. Why does mine say May 29, 2012 the fourth week. Not only that the list I got from clerk of court tells me they true billed me in 2011 and received it on Dec 2, 2011 so if I was indicted it had to be sometime in Dec, because T.B means true billed. But why does my Indictments say May 29, 2012 if all my indictments numbers say 2011-TB and General Session of Greenville convened on May 29, 2012. Who's lying they were under oath. A Judge had to sign off on these indictments How He or she didn't see this mistake.

So Basically I have Invalid indictments. Basically fake. there's know way Greenville County General Sessions Convened on May 29, 2012 Wen Law tells you Greenville County only convens the first 2 weeks in May and come Back in June, and Starts back Convening again first 2 week in June also. If this is true these people are not taking Law "Serious". They were under Oath and lied. This is a Major issue.

Conculsion

I will like supreme Court to look into this and see why Im asking and Hoping for a Overturn Case and a New Trail.
