

The South Carolina Court of Appeals

Darius L. Green, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2016-000994

ORDER

Appellant has filed a motion to amend, which we construe as a motion to supplement Appellant's pro se response. The motion to supplement is granted. This court will consider the supplemental documents attached to Appellant's motion along with Appellant's pro se response that was filed on January 24, 2017.
