Your Appellant Rhonda Meisner respectfully requests additional time to file the record on appeal due to extensive out of town work travel and the delayed receipt of the respondent's initial brief.

S.C.A.C.R. Rule 210 provides that the record on appeal be served and filed 30 days, after the last brief is due. Your Appellant, by motion, has requested additional time to serve her reply brief due to the late receipt of the respondents brief and out of town work travel to Greenville, SC, Charlotte, NC and Boston, Massachusetts.

Without a copy of the initial brief and designation of matter, it would be impossible to compile the record on appeal. Because the appellant has additional travel scheduled for this month as well as next month, your appellant, Rhonda Meisner, respectfully requests the Court to accept for filing, her reply brief, and to allow an additional 15 days for a total of 45 days from today to file the record on appeal.

Respectfully Submitted,
