Appellate Case No. 2017-000787
Our File #: 1000-109

Dear Mr. Shearouse:

Please allow this correspondence to serve as a motion and request by the above named Plaintiffs, in this certified question, for an extension of time to file and serve our Final Brief. One original and six copies of this letter are enclosed herein along with the filing fee in the form of a check in amount of \$25.00. Plaintiffs seek a thirty (30) day extension in which to serve and file Plaintiffs' Final Brief, which is currently due on June 5, 2017. If granted, Plaintiffs' Final Brief would then be due on July 3, 2017.

This extension request is the first one made by Plaintiffs and is sought to allow Plaintiffs additional time to fully and completely brief the certified question before this Court. Before submitting the motion made herein, Plaintiffs consulted with counsel for Defendants, Quest Diagnostics, Inc. Athena Diagnostics, Inc. and ADI Holdings, Inc., who have provided their consent to this request for an extension.

By copy of this letter, we are serving this motion on counsel for all parties of record in the above referenced proceeding. Please stamp and return the extra copy of the motion with self-

addressed and postage-paid envelope include herein.

Yours truly,
