Dear Clerk Kitchings,

MAY 19 2017

5-12-17

SC Court of Appeals

Please Note and check the record, I received a letter from you dated March 10, 2017, that informed me of an Appellate Case No. 2017-000596.

I then filed to the Court a motion/brief in support of my case, it was dated March 20, 2017.

There was a copy of said motion/brief filed/mailed to S.C.D.C. General Counsel the same day along with a Certificate of Service.

My motion/brief was mailed in a brown legal envelope.

I don't understand why this letter dated May 4, 2017, is telling me that your records don't reflect and show a copy of my brief, it was placed in the mail here at BRCI, prison.

I also filed a 2 page amendment in support of my motion/brief that was dated 4-3-17.

I also mailed S.C.D.C. General Counsel a copy of the 2 page ~~amendment~~ amendment that was dated 4-3-17.

BRCI, prison will not make a copy if it is hand written, I am vision impaired but I did manage to hand write a copy and it was mailed to S.C.D.C. General Counsel. The same day I mailed the Original Copy to the Court.

Please check the record again, I am positive I mailed the brief to the Court on Monday 3-20-17.

Please inform me if you found it filed on record with the Court. This prison is halting my legal mail, that is not right.

I do thank you in advance.

Please give me your help.

Sincerely,

[There is a hand written copy of what was filed on 3-20-17 + 4-3-17]

Dear Clerk Kitchings,

5-12-17

I received your letter dated May 4, 2017. I did not get it delivered to me until May 12, 2017.

I am no attorney and I am confused. I was under the impression, that when I appealed the administrative Law Court's decision, that all the paper work on record would be forward to the appeals court.

I am sending you all the paper work I have. This prison mail room will not make copies of nothing hand written. This all I got, I hope + pray that it will be accepted by you + the court.

I ask could you please send me a copy back.

The initials is not real clear. if not accepted by you or the court,

then I ask you mail it back and give me a few days and I will write it all over again. Its all I had and I did not want to miss no dead line.

Will my case be assigned to a lawyer I need some legal help?
