Re: Randy Horton v. Jasper County School District
Appellant Case No.: 2016-001507

Dear Ms. Matthews:

Enclosed herewith are two (2) checks in the amount of \$25.00 each, to defray the costs of the Respondent's Motion to Substitute Counsel and its Motion for Extension to file Respondent's brief.

Additionally, I understand from our telephone conversation, that per the Supreme Court's Order 2014-07-16-01, the court will consider extensions of twenty (20) days, rather than the thirty (30) days we previously requested in our letter dated May 19, 2017. Therefore, by cover of this letter, I am amending our previous request and requesting a twenty (20) day extension to file Respondent's brief. The reason this request is necessary, as stated in our prior letter, is that the Respondent is now represented by new counsel who were not involved in the lower court proceedings, and who will require additional time to become familiar with this case.

I further understand from our discussion, that if the extension is granted the new filing date would be July 3, 2017.
