Re: Revenue Cycle v. Eric Snyder
Appellate Case No. 2016-001284

Dear Mr. Snyder:

Our records reflect that the time for serving and filing the appellant's initial brief and designation of matter has expired. Within ten days of the date of this letter, you must serve and file the appellant's initial brief and designation of matter, along with a motion requesting permission to serve and file the appellant's initial brief and designation of matter outside of the filing deadlines set by Rules 208 and 209 of the SCACR. Your appeal will be dismissed if you do not serve and file the appellant's initial brief and designation of matter and motion within ten days of the date of this letter.

Very truly yours,

CLERK
