Attorney for Appellant

✓

Appellant hereby moves pursuant to Rule 263(b), SCACR, for a 30-day extension of the time in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal in this case. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. This is the second extension that Appellant has sought in this appeal.
2. The deadline sought to be extended ran yesterday, June 5, 2017.
3. I made a mistake and neglected to get this motion out yesterday.
4. Counsel for the Respondent has previously informed me that he was agreeable to a 30-day extension.
5. I have had a chockablock schedule lately that has prevented me from spending time on the brief for this case.
6. Appellant's counsel believes there is good cause to grant the requested 30-day extension to July 5, 2017.

WHEREFORE Appellant prays for an Order extending the time in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal for an additional thirty days.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'A. S. Radeker', written over a horizontal line.
