

The State v. DeAndre' Foster
Appellate Case No. 2017-001118

SC Court of Appeals

My name is DeAndre' Foster I received a letter from my Attorney Richard Warden on June 6, 2017 saying I need to write a letter explaining why I need an appeal. I read over my motion and I feel like the state didn't have enough evidence on me. And I also feel like I got too much time for my charges. I'm 21 years old with an one year old daughter that need me. I've never got into any trouble before in my life, I have no prior record. I got 20 years for my charges. The victims never showed up to court recommending I get the max. I took the plea to get home to my family and I thought I was going to get some time but not 20 years. I'm trying to give most of this time back and move on with my life. I know I was accused of committing a crime that was very serious. But I seen Murders get less time than me. I'm on the 3 strike rule and for my first strike I received 20 years. I feel like I never had a chance.

Please accept my appeal there isn't enough evidence to give me the max for my two charges Assault & Battery High and Aggravated Nature. Please look over my case and you will find out yourself. This is my first time being incarcerated. Please give me a chance to an appeal.

Thank You,

DeAndre Foster
