Re: *Stow Away Storage, et al. v. George W. Sisson, et. al.*
Appellate Case No. 2017-001221

Dear Ms. Kitchings,

I am in receipt of the transcript of the hearing in the above-referenced matter. According to my calculation, the initial brief and designation of matter to be included in the record will be due on July 12, 2017.

I am writing to request an extension in which to serve and file both the brief and the designation of matter. If possible, I would like to have until August 16, 2017, as I have plans to travel and will be out of my office from July 31 through August 14th. I realize that I am requesting slightly more than a 30 day extension, and I ask that you would please consider granting it. I have enclosed the filing fee with this letter.

I appreciate your assistance with this matter. Please do not hesitate to contact me with any questions that you may have.

Yours very truly,

Ainsley F. Tillman
