S.C. SUPREME COURT

Re: Anthony Bernard Chapman v. State of South Carolina,
Appellate Case No. 2016-001230

Dear Mr. Shearouse:

On April 6, 2017, I filed a motion to reconstruct in abeyance due to a pending motion to reconstruct the record in the above-referenced case. The motion included a request that the timelines for filing the petition for writ of certiorari and appendix be held in abeyance pending a decision on the motion. On June 16, 2017, my office received an order from this Court denying the motion to reconstruct the record. Therefore, this case no longer needs to be held in abeyance.

We have reset our time limit in which to file the petition for writ of certiorari thirty days from June 16, 2017, which gives us a due date of July 17, 2017. If this is not accurate, please contact me.

Sincerely,

Susan B. Hackett
Appellate Defender
