Dear Mr. Wright:

Please allow this letter to serve as a follow-up to our conversation today. Upon drafting a letter requesting your documents from Mr. Cornwell, I discovered that Mr. Cornwell has been temporarily suspended from the practice of law and his files are in the care of a receiver. I have spoken with the receiver's office and they did not see a file for you and were attempting to locate one. I will let you know what I receive.

Yours very truly,

Lance S. Boozer

Dear Mr. Wright:

I am in receipt of your recent letter. Yes, you will be receiving a belated appeal from your prior PCR case as the State consented to this request at your hearing. I am awaiting a signed Order from the Judge which I will forward to you along with the Notice of Appeal. As I indicated to you, ~~I attempted to retrieve a copy of your prior PCR file from the Receiver who is now maintaining Mr. Cornwell's files since he is currently suspended. As I discussed with you, the Receiver indicated they did not receive a file from Mr. Cornwell for your prior PCR case.~~ Additionally, I am not quite clear on what you mean by "What is going on with the public index of Williamsburg County concerning all actions during my case with Cornwell." At your request, I attempted to retrieve a copy of the discovery/funding requests you indicated Mr. Cornwell may have made in your prior PCR. As we discussed, although there is a listing of this request being made on the public index, the clerk of court did not have any further information or documents regarding the request. I have enclosed the public index filing report from the clerk of court's website.

Yours very truly,

Lance S. Boozer

Dear Mr. Wright:

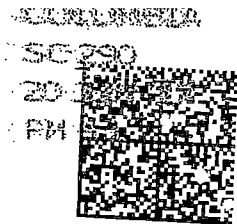

I am in receipt of your recent letter dated May 30, 2017. You should also be receiving the signed Order and Notice of Appeal I sent out separately this morning under separate cover. ~~I am not sure how you can get any file that may exist from Mr. Cornwell. As you know, I attempted to retrieve your file from the receiver's officer and was told there was not one. It is my understanding they have custody of his existing files. As you suggest, you may want to contact the Supreme Court but they may also refer you back to the receiver.~~ You also ask what my retainer is, however, I am not sure for what representation you are inquiring? If you would let me know what services you are interested in, I may then be able to tell you whether or not I may represent you as well as a fee.

Yours very truly,
