Re: John Alden Bauer, III, v. Beaufort County School District
Appellate Case No. 2016-000955

Dear Ms. Allen:

On January 12, 2017, this Court ordered *pro se* Appellant to file and serve a Supplemental Record on Appeal. Appellant submitted his Supplemental Record on Appeal on March 8, 2017 as directed; however, his Supplemental Record did not include some pages which Respondent had designated and which were part of the record below. With the deadline for final briefs fast approaching, and in the interest of avoiding more delays in this case, Respondent's counsel offered to submit these pages bound and page-numbered to the court on Appellant's behalf. Appellant consented to allow the record to be supplemented.

As Appellant was allowed by order of this Court to provide a reduced number of copies of his record, and as he did provide 10 copies according to the Court's clerk's office, Respondent hereby files 10 copies of the Second Supplement of the Record on Appeal with this court on Appellant's behalf.
