RE: St. v. Stephanie I. Greene

Appellate Case No 2014-000764

Dear Ms. Shealy,

I am writing in regards to my SC Supreme Court Appeal Case and petition for bond in said case, noted above. It has been well over a year since the oral arguments were heard, and over a month since my attorney has applied for bond. Week after week I am continually let down as there still has been no word in either I feel as if I've been forgotten as I languish away in prison, away from my husband, children, and all that I hold dear, for a crime of which I am innocent. I beg of the court to please be compassionate and grant my release or bond as my dear husband, who is the sole caregiver of our 11 year-old son, is now in a nursing home, suffering from Stage IV Throat Cancer - metastasized to his lymph nodes & bones, and nothing else to be done for him. Please, please let me be home for his final days. Thank you so kindly, Stephanie I. Greene and home to care for our son.
