Re: The Meeting Place v. Carolina Community Bank
Case # 2011188826

Dear Ms. Allen:

I am writing to update you on the status of the Rule 60 Motion in the above-referenced case. Judge Manning held a status conference on the matter and subsequently issued an Order denying the Motion. It appears that the appeal is now ripe to be pursued. The church leadership has changed since my last correspondence and I will need to discuss this matter with my contact to have the board of trustees give us direction on what the church wishes to do with this matter. In this regard, it will likely be sometime after Thanksgiving before I can give you a more definitive response as to the next course of action. I will impress upon my clients the urgency of the need for a decision in this matter.

With kind regards, I am

Very truly yours,

Joseph Henry
