v.

Haiyan Lin, et al  
Appellate Case No. 2016-001594  
City of Cayce  
Appellate Case No.  
City of Columbia  
Appellate Case No.

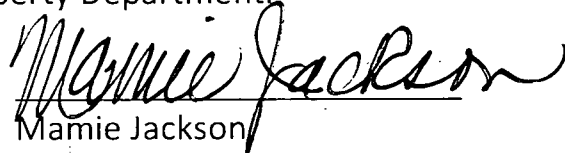

I, Mamie Jackson, having appealed the above cases from the Richland County Circuit Court would request that the Court suspend the appeals for the following reasons:

1. I was arrested by the City of Columbia Police Department in April, 2017 and my house key were confiscated.
2. All of my court records and papers are in my house.
3. I do not have duplicate copies of the file.
4. The property department at the City of Columbia refuses to release my house keys where not only my legal papers by my 90 day supply of my medications is located.
5. I have been without major medication for this period.

Would request that the Court suspend the Appeals until the legal documents are released by the City of Columbia Property Department.
