Attorney for Appellant

Appellant hereby moves pursuant to Rule 263(b), SCACR, for a 10-day extension of the time in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal in this case. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The deadline at issue is set for today, July 5, 2017.
2. With work on other cases and the July 4 holiday, Appellant's counsel has not yet finished the brief in this case.
3. While 30-day extensions are what is usually sought for this deadline, the undersigned does not need another 30 days to complete the brief.
4. This is the third extension that Appellant has sought in this appeal; however, this is not an old appeal. Appellant's counsel already had a copy of the transcript involved in this case when the appeal was commenced, so that has put this appeal on a quicker footing than most.
5. Appellant's counsel believes there is good cause to grant the requested 10-day extension.

WHEREFORE Appellant prays for an order extending the time in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal for an additional 10 days.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'A. S. Radeker', written over a horizontal line.
