Ms. Nelson:

I am the attorney for the Plaintiffs, now the Appellants, in the above-referenced matter. I understand you are working on the trial transcript. When the transcript is completed, would it be possible to obtain a MicroSoft Word version of the transcript in addition to the PDF version? That version can simply be emailed to me. I believe it would help us reduce the time spent working on our briefs. Please let me know if there is an additional charge. Thank you for your help.
