IT IS ORDERED AND ADJUDGED: See attached order (formal order to follow) Statement of Judgment by the Court:

This matter came before the court on the plaintiff motion reconsideration. The motion will be granted in part and denied in part. After hearing extensive arguments, reviewing the prior order and the pleadings, the court requests that counsel for the defendant prepare an order affirming the prior order except as to the libel and slander cause of action. In regards to the libel and slander action, prepare the order indicating that the motion for summary is premature and that the facts behind this cause of action should be developed further.

Also in the order give additional procedural ground to include the dismissal of the other parties.

The formal order, once signed and filed, will be the final order of the court on this matter.
