Re: Anthony King v. P.J. Tanner
Appellate Case No. 2017-001300

Dear Counsel:

We received your motion for extension of time to serve and file the appellant's initial brief and designation of matter dated July 5, 2017. At this time, we are not anticipating the filing of your appellant's initial brief and designation of matter, as it does not become due until thirty (30) days after you receive the transcript. We will take no further action on your motion. You must advise this office when you receive the transcript so that appropriate deadlines are set.

Very truly yours,

V. Claire Allen, Deputy

CLERK
