S.C. SUPREME COURT

Mr. David E. Shearouse,

Yes, I received your letter on July 3rd letting me know that the attorney general have been granted a second extension because of their heavy workload once again. So I would like to ask you how many times can they ask for an extension and is it possible that this can go on until next year like they did when I went through trial. I'm new to this Supreme Court situation that's why reading South Carolina Rules of Court seem different from some of the rules that's been presented to me while going through this process. I'm not trying to act like I know everything like most people do I'm just looking for some justice and have someone go by the law concerning my case. Since I been fighting my case for freedom, I haven't had nobody to actually read my case and apply the law. I'm hoping that this is a last stop to freedom cause I believe The Supreme Court of South Carolina going to give me justice. So thank you for keeping me inform through this process.

Thank you,

Toures Watts
